your flannel jackets &
think Mr Pearce's kindness just
as was never known before.

A house in Hamilton Place is now
under George Review. The only fear
is that it may be too large & of
course the rent too high. Jenny's cough is
not so bad as it was. He seems well.
Last night Wendell, Mary, Caroline

Church Street. He was beautiful

a sermon and good things about Slavery

to Dr. Hays, to a medical party.

They had oysters, ice, etc. & Dr
Lander was there. W. Ross
